SUBJECT: REGISTRATION AND ORIENTATION

I take this opportunity to congratulate each one of you for the excellent performance in KCSE examinations and feel welcome to Maasai Mara University.

Due to the prevailing situation arising from the COVID-19 pandemic, the University plans to conduct the registration and orientation process virtually in the month of **August, 2020**. Registered students could be provided with data bundles through the mobile phones provided by KUCCPS for the orientation exercise. You are therefore advised to have access to internet connection using a laptop, desktop computer or smartphone during the orientation exercise. Preferably, you should own a laptop to be used also for virtual classes. Specifications for the recommended laptop would be availed through the University website.

Further, all students are required to **pay the required fees** and forward the **scanned documents** including proof of fee payment (e.g. bank slip) to srecords@mmarau.ac.ke, latest by **8th August, 2020**. Please note that only students who shall have met these conditions by the given deadline would be registered and possibly facilitated with data bundles.

The orientation schedule will be communicated through your official emails and University website in due course. Kindly note that all other future communications from the University will be done through the same means i.e. email and University website.
