SUBJECT: PURPORTED COMMUNICATION FROM THE OFFICE OF ACADEMIC REGISTRAR

Our attention is drawn to a fraudulent memo circulating in social media dated 14th April 2020 purported to be from the Office of Registrar Academic Affairs captioned “Resumption of Learning programmes (online)”. We would like to remind our students that the authentic source of information from the Registrar’s Office is the University’s facebook page (https://facebook.com/MaasaiMaraUniversity) and the University website (http://www.mmarau.ac.ke/). Any information forwarded to you from whatever source must first be counterchecked with its corresponding version that must appear in the University’s facebook page or the University website. Disregard any communication purported to be from Registrar’s Office that cannot be traced to those two places! The memo captioned “Resumption of Learning programmes (online)” did not originate from Registrar’s Office.

Meanwhile, as we investigate the source of the false memo for stern disciplinary measures and prosecution, we would like to urge you to be very vigilant especially in this period when the world is confronting COVID-19 pandemic. Follow government directives on COVID-19 containment measures: Stay at home, wash your hands regularly with running water and soap, keep the social distance of at least 1.5m from one another, avoid crowds, wear a facemask whenever in a public place.
