RE: RESUMPTION OF CLASSES BY REMOTE LEARNING

Reference is made to my earlier Memo Ref. MMU/AA031/006/2020/VOL.4/32 on the above subject.

As you prepare for the start of remote learning from Monday 11th May 2020, and to enable us understand well the implications of all-cohorts-rollout of remote learning, students are informed that there are discounted rates for internet bundles. Safaricom and TELKOM Kenya have offered discounted rates for internet bundles to facilitate remote learning as shown in the table below.

<table>
<thead>
<tr>
<th>Company</th>
<th>Resources</th>
<th>Price</th>
<th>Validity</th>
</tr>
</thead>
<tbody>
<tr>
<td>Safaricom</td>
<td>10GB</td>
<td>500/-</td>
<td>30 Days</td>
</tr>
<tr>
<td>Telkom</td>
<td>30GB</td>
<td>1000/-</td>
<td>30 Days</td>
</tr>
</tbody>
</table>

You are therefore required to register with KENET through the link [https://registration.kenet.or.ke/registration](https://registration.kenet.or.ke/registration) latest by Wednesday 6th May 2020 at 5pm to be eligible for remote learning classes. In the registration form, you will have to make a choice between Safaricom and TELKOM depending on the strongest network signal in your location. You should only choose ONE service provider (Company). Please note that the bundles would be restricted to remote learning only and not open to social media interactions.
