SUBJECT: YEAR 2.2 INDUSTRIAL ATTACHMENT

Your various Curricula anticipated the first Industrial attachment to be after Second (2) Year of study while the second attachment should happen after third (3) year. For some cohorts the first attachment did not take place last year. COVID-19 pandemic disrupted operations for most organizations and continues to do so even now. Consequently, it is planned that you will proceed for the first attachment from **18th October to 23rd December 2021.**

The purpose of this memo is to inform you to download attachment reference letters from the link **41.89.105.251/students/services/attachment** and urgently liaise with your Chair of department to organize the same.
