SUBJECT: ADMISSION NUMBER

Your Attention is drawn to the computer error earlier noted in generating admission numbers. We corrected the error and informed you to re-download the first page of the admission letter.

This is therefore to remind those students who have not re-downloaded the letter to do so and note the change in the admission number pattern. The correct number pattern for example should be EB01/SR/MN/1111/2020 and not EB01/1111/SR/MN/2020

You will only be able to pay fees using the correct admission number as banks are integrated with the University ERP system. Admission letter is downloadable via: www.mmarau.ac.ke/admission
