SUBJECT: UNAUTHORIZED SITTING FOR END OF SEMESTER EXAMINATIONS

This is to inform all students currently on session that sitting for end of semester examinations without clearance of fees is an offence that leads to Cancellation of examinations results and one year suspension.

Please note that only Candidates whose names appear in the examination attendance lists provided by the invigilators are allowed to sit for the examinations. Those whose names do not appear in the ERP generated attendance list should therefore **NOT** attempt to sit for the said examinations. Further to this, the system will not record marks for those students who did not register for the courses even when they had cleared fees. All candidates are informed to ensure they sit for the examinations in the courses they registered for, to avoid issues of missing marks.
