TO: ALL STUDENTS

REF: MMU/AA031/006/2020/VOL.5 (38)

**SUBJECT: COMPLIANCE WITH MINISTRY OF HEALTH GUIDELINES
ON COVID-19 CONTAINMENT MEASURES**

As you are aware COVID-19 disrupted learning and indeed many other activities worldwide from 2019 to date. The University has since enforced several measures to contain the spread of the disease and ensure the academic programmes run uninterrupted. This requires that every student exercises individual responsibility in observing COVID-19 containment measures which include frequent hand washing/sanitizing, keeping a safe social distance of 1.5 meters, compulsory wearing of face mask in the right way, monitoring of body temperature etc.

It is reported that vigilance in observing the containment measures among students is dwindling leading to a resurgence of COVID-19 infections.

This is to remind all students that, it is **MANDATORY** to **STRICTLY** observe the measures put in place to contain the spread of the COVID-19 pandemic for your own sake and for the sake of others. We appeal to all students to be their own brother's/sister's keeper in enforcing the rules on COVID-19. **Students should desist from overcrowding in the lecture rooms. Seats must be placed on the designated marked points!** Should you experience any challenge, kindly report the same to the undersigned or the office of the Dean of Students.
