#### SUBJECT: FIELD COURSES AND INDUSTRIAL ATTACHMENT

The University Senate in its meeting held on Friday, 10<sup>th</sup> December, 2021 approved the list of field courses and industrial attachments for students following the curriculum reviewed during the 2019/2020 academic year (2020, 2021 and 2022 cohorts). The list however excludes the Industrial attachment/Teaching Practice taken in the third years by all students.

Students are expected to pay for the field courses and attachments during the periods indicated in the attached document. Please note that the list of field courses and attachments replaces the earlier copy attached to the fees structures.

The list of the field courses/attachments is attached.
