RE: POSTPONEMENT OF INTERNAL INTERVIEWS FOR SENIOR TEACHING STAFF

Following the recently concluded shortlisting exercise at Maasai Mara University, there have been complaints followed by appeals by some applicants.

Accordingly, a meeting was held on the 16th September, 2022 to review the issues.

In this regard, the interviews for Professors, Associate Professors and Senior Lecturers scheduled for 27th and 28th September, 2022 have been postponed until further notice.

Any inconvenience caused is highly regrettable.
