DATE: 8th May, 2024

TO: First Year Students

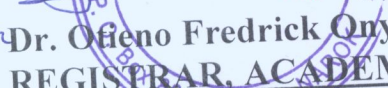

REF: MMU/AA031/006/2024/VOL.7(70)

SUBJECT: ELIGIBILITY TO SIT END OF SEMESTER EXAMINATIONS

Owing to the fact that most of the fee for Government Sponsored Students has been paid through the loans and scholarships from the government, payment of the **household contribution** component of your fees will be the determining factor for authorization to sit the end of semester examinations. Consequently, all Government Sponsored Students are required to clear any outstanding balances of their household contribution fee by **Friday, 10th May, 2024** in order to sit for examinations. Please verify your household contribution fee payment status by clicking on the link: <https://students.mmarau.ac.ke/household/>

However, all Privately Self-sponsored Students must clear their fees alongside other requirements stipulated in *Section 3* of the Rules and Regulations Governing University Examinations, so as to be eligible to sit examinations.

Additionally, all authorized candidates are reminded to carry their **original** student or national identification cards to the examination rooms for proof of identity.
