### **SUBJECT: REPORTING OF SESSION AND REGISTRATION OF COURSES**

This is to inform you that the government has disbursed the pending funds for most students. You are therefore reminded to register for the courses that you will sit examinations as required, failure to which will lead to cancellation of those examinations. [Section 3 clause 3.1.7 (vii) - Rules and Regulations governing University Examinations].

Please note that reporting and registration of courses for semester II is only possible if the fee for semester I was cleared. In this regard, verify if your household contribution amount for semester I was cleared before reporting for semester II. If for one reason or another your loan or scholarship has not been remitted to date, please make arrangements to clear the outstanding household contribution amount, if any. This will enable you to sit for the forthcoming examinations while the University engages the Higher Education Funding (HEF) Board and/or the Higher Education Loans Board (HELB).

In view of the fact that end of semester II examinations for the 2023/2024 Academic Year will commence on **Monday, 13<sup>th</sup> May, 2024**, kindly complete the registration process by **Wednesday, 8<sup>th</sup> May, 2024** to avoid further inconveniences.
