**SUBJECT: Seating Arrangements for Examination Rooms**

This is to notify you that the University added many new seats, enough to comfortably accommodate over four thousand (4000) of you at once. Every exam room is now fully stocked to its maximum capacity. This means there's no longer a need to move chairs from one room to another unless an invigilator specifically asks you to do so.

So, let's keep those chairs where they are. Please leave your seat behind if you're asked to switch rooms during an exam. This helps us prevent unnecessary damage to the chairs and avoids scratching up the walls as furniture gets moved around.

We appreciate your cooperation in keeping our buildings in great shape. By taking care of the facilities, we're all contributing to a better learning environment for everyone.

Thanks for being awesome and for helping us out with this!

We'd love to hear your ideas on how we can improve your campus experience. Email us at [reg.aa@mmarau.ac.ke](mailto:reg.aa@mmarau.ac.ke). Your feedback is valuable and helps us create a place where everyone can thrive.
