SUBJECT: CLEARANCE OF THE HOUSEHOLD FEE COMPONENT

This memo serves as a reminder that only candidates who have cleared their household fee balances will be eligible to sit for the upcoming end of semester examinations.

In furtherance to this, HEF students who submitted late applications for loans and/or scholarships, or appealed against the initial banding category, are strongly advised to check their individual HEF Portals for updated outcomes.

Once payment is made, it is imperative that you confirm that the courses you registered to be examined in have been duly approved by your respective Chairman of Department. This verification is essential to avoid any inconveniences during the examinations' session.
