SUBJECT: REVIEW OF SENATE'S VERDICT ON CANCELLATION OF EXAMINATION RESULTS

Following implementation of the Senate verdict on cancellation of examination results for candidates who sat semester II examinations for the 2024/2025 Academic Year without authorization, the Students' Council representatives presented their request to Senate. The student leaders acknowledged that the affected candidates contravened the rules, but appealed for leniency. They further assured Senate of students' compliance with the fee payment policy from now henceforth.

Consequently, the University Senate during its Special Meeting held on **Tuesday, 12th August 2025**, considered the request and resolved as follows:

1. That results for affected candidates who cleared their fees after the deadline be reinstated.
2. That results for affected candidates who had not cleared their fees to date, be withheld until they fulfil their fee payment obligation. Such candidates must clear all outstanding fees by **Monday, 1st September, 2025** to access their results.
3. That Supplementary/Special Examinations would continue as scheduled.

In furtherance to this, Senate reaffirmed that the University's fee payment policy will be strictly enforced going forward, and all students are required to comply fully with its provisions.
