SUBJECT: RESUMPTION OF TEACHING

We wish to inform you that the industrial action previously undertaken by sections of University staff, which had impacted teaching in some courses, has officially been called off.

Throughout this period, the University remained operational, with several academic activities continuing as scheduled. We appreciate your patience and understanding during this time.

With the cessation of the strike, all students are hereby advised to **resume classes with immediate effect**. This will ensure the smooth continuation of the Academic Calendar and allow for adequate preparation for examinations.

Further communication regarding the examination dates, initially scheduled for December 2025, will be shared in due course.

We thank you for your continued cooperation and commitment to your academic progress.
