SUBJECT: END OF SEMESTER II EXAMINATIONS AND FEE CLEARANCE

This is to remind all students that the End of Semester II examinations will commence on **Wednesday 15th April 2026**.

Students are hereby notified that, to be eligible to sit the examinations, they must register for all the courses to be taken during the examination period and clear all outstanding household fees.

In view of the economic challenges faced by some students, the deadline for clearing any fee arrears has been extended to **Friday 10th April 2026** at midnight. Students are encouraged to take advantage of this extension and settle all pending fees within the stated period.

Please note that no consideration shall be given for any late payment made after the extended deadline. You are therefore advised to comply within the extended period to avoid inconvenience.
