P. O. Box 861 - 20500
NAROK

FROM: Registrar, Academic Affairs

DATE: 26th August 2026

TO: Continuing Students, 2022/2025 Cohorts **REF:** MMU/AA031/06/2026/VOL.8(87)

SUBJECT: REMINDER ON SUBSEQUENT APPLICATIONS FOR HELB FUNDING

The University, in collaboration with HELB, is monitoring continuing students who have not submitted subsequent funding applications. Current records show the following:

Cohort	Number of Students Yet to Apply
2022	229
2023	173
2024	408
2025	0
TOTAL	810

The list of affected students, including names and registration numbers, is available at www.mmarau.ac.ke/funding-status. Students should check the list using their registration numbers and apply immediately where applicable. We congratulate the 2025 cohort for being 100% compliant.

Please note:

- If your name is not on the list and you already applied, it means your application was successfully received.
- If your name appears on the list, you have either not applied, or your application was not submitted successfully.

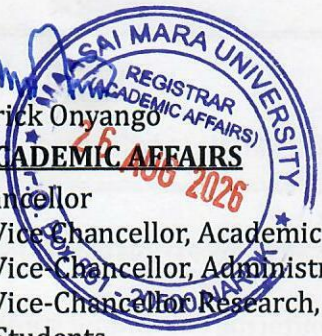

The application deadline is **31st August 2026**. Students who have not applied by this date may face administrative measures, including denial of access to classes and University services, unless they have formally declared self-sponsored status to the Student Finance Department.

Those experiencing application challenges should seek assistance from administrative assistants in their schools or departments, or from the Dean of Students Office, Student Finance, or Admissions Office before 31st August 2026.

If assistance is not provided, email **reg.aa@mmarau.ac.ke**, indicating the specific office where help was not forthcoming. All affected students should treat this matter as urgent.

Dr. Otieno Fredrick Onyango
