SUBJECT: REACTIVATION OF STUDENT PORTALS FOR LATE REGISTRATION OF COURSES

Kindly refer to our memo dated 16th September, 2026 on End of Registration of Courses for Semester I of the 2026/2027 Academic Year.

Please be informed that your student portals have been re-activated to enable you to complete your course registration. This is in compliance with *Section 7.5 of the Fee Payment Policy*, which allows students who failed to register for courses within the prescribed period to do so upon payment of the KShs. 1,000/- penalty.

Consequently, all affected students are advised to take advantage of this opportunity and complete registration for all courses they are undertaking this semester. Please note that the reactivated portals will be **deactivated on Friday, 6th November, 2026** when registration for the end of semester examinations will be carried out.

Additionally, all students are reminded to ensure that course registration is completed within the stipulated period. Failure to do so will result in their details being omitted from Examination Attendance Lists, and they will therefore be subject to the applicable consequences as specified under *Section 3 of Rules and Regulations governing University examinations*.

Kindly comply.
