

WHERE HAS YOUR MARA JOURNEY TAKEN YOU?

MMU GRADUATES

2012–2025

All graduating years

Since our first graduating class, Mara alumni have gone on to build careers, start businesses and serve their communities. **Now we want to hear what happened next.**

Tell us about your work, your milestones and how well your time here prepared you. Your honest answers will help us improve our academic programs and better support the students who come after you.

WHY YOUR STORY MATTERS

- 01** It shows us which programs and skills truly matter once you leave campus.
- 02** It helps us build stronger career guidance, mentorship and industry links for today's students.
- 03** It tells the world how far Mara graduates have come.

The gate you walked through on day one

Where it all began
